## CONSENT FOR CARE AND FINANCIAL AGREEMENT

I (patient or legal guardian for patient who is minor) grant permission for licensed physical therapists at Kinetic Physical Therapy to perform such examinations and therapeutic procedures as may be professionally deemed necessary or advisable for appropriate evaluation and treatment of my condition.

As permitted by the Health Insurance Portability and Accountability Act of 1996 (HIPAA), I authorize the release of any and all medical information to my physician(s) and other healthcare providers as may be necessary for communication regarding my care. Additional persons I would like my health information to be made accessible to are noted below.

As permitted by HIPAA, I authorize the release of any and all of my medical records to my insurance company at their request. Other release is subject to my written consent.

***I understand that all treatment fees are to be paid at the time of service unless other billing arrangements are made with Kinetic Physical Therapy, LLC and/or Fawn Coussens, MSPT.*** We are a preferred provider with most major insurance companies. In cases where your insurance is not billed or Kinetic Physical Therapy, LLC or Fawn Coussens, MSPT is not a preferred provider, Kinetic Physical Therapy will provide, on request, a superbill receipt that you may use to submit to your insurance carrier and/or keep for your personal records.

**If my insurance company (or other responsible party) rejects payment or shows that a portion is the responsibility of the patient, I agree to make full payment within 30 days of the first billing unless other arrangements are mutually agreed upon.** Exception will be made in cases where Kinetic Physical Therapy, LLC or Fawn Coussens, MSPT's contract with the insurer precludes this.

**If I "no-show" or cancel an appointment without providing 24 hours of notice (excluding weekends), I am responsible for paying the cancellation fee of \$65 before further treatment is provided.** These charges cannot be billed to insurance. Exceptions for emergent situations may be made. If I "no-show" two times, I understand that further appointments will be cancelled.

I request that all fees paid by my insurance company or other party be paid directly to Kinetic Physical Therapy or Fawn Coussens, MSPT unless I have previously paid said fees directly to Fawn Coussens.

**Co-pays are due at the time of service.**

**I understand that, and give permission for, my therapist may take photos or videos of me throughout my treatment to enhance my rehabilitation and track my progress.**

**I HAVE READ AND UNDERSTAND THE ABOVE POLICY.**

### ~What this information means~

- A *deductible* must be satisfied before your insurance company will pay for treatment.
- Office *co-pays* are due at the time of service.
- You will be billed for your *co-insurance* amount
- If your policy requires a *prescription* from your PCP, or other provider, you must obtain a current prescription in order for your plan to pay for PT services.
- If your policy requires a *referral* or *pre-authorization* on file, you will need to contact your referring provider's referral coordinator and ask that a current copy is sent to both the insurance company and our office.
- Please be aware that *prescriptions*, *referrals* and *pre-authorizations* have expiration dates (typically 90d) and/or set visit limits. We can assist you in tracking these once you have initiated care with Kinetic PT.
- Rehabilitation benefits may include Occupational Therapy, Speech Therapy and often Massage Therapy as well as Physical Therapy. Additionally, some physicians or Chiropractors may bill under Physical Therapy services which may deplete your plan's set limits.
- Kinetic PT is only able to track your benefits as they apply to our services.
